*Smart di Iotti by Novellini è la guida perfetta per la scelta del tuo prossimo arredo bagno. Se la ricerca di una linea che rispecchi il proprio stile passa attraverso l'organizzazione/la combinazione di mobili ed elementi fissi, le nuove collezioni Smart rappresentano il brillante equilibrio tra funzionalità e design. Potrai così creare una connessione armoniosa all'interno degli spazi, grazie ad elementi ottimizzati e di grande effetto, firmati Marco Pellici.*

*Smart by Iotti by Novellini is the perfect guide to the choice of your next bathroom decor. If the search for a line that reflects your style passes through the organisation/combination of furniture and fixed elements, the new Smart collections represent the brilliant balance between functionality and design. You can then create a connection harmonious within the spaces, thanks to elements optimized and of great effect, signed Marco Pellici.*

## IOTTI by NOVELLINI

Arredare il bagno in modo innovativo e completo. Un concetto di produzione coordinata che si allarga per arrivare a comporre la stanza coerentemente allo stile desiderato con la certezza della qualità di un marchio storico. Oggi presentiamo la RINNOVATA Collezione Contemporaneo Iotti by Novellini.

## COME NASCE UNA COLLEZIONE?

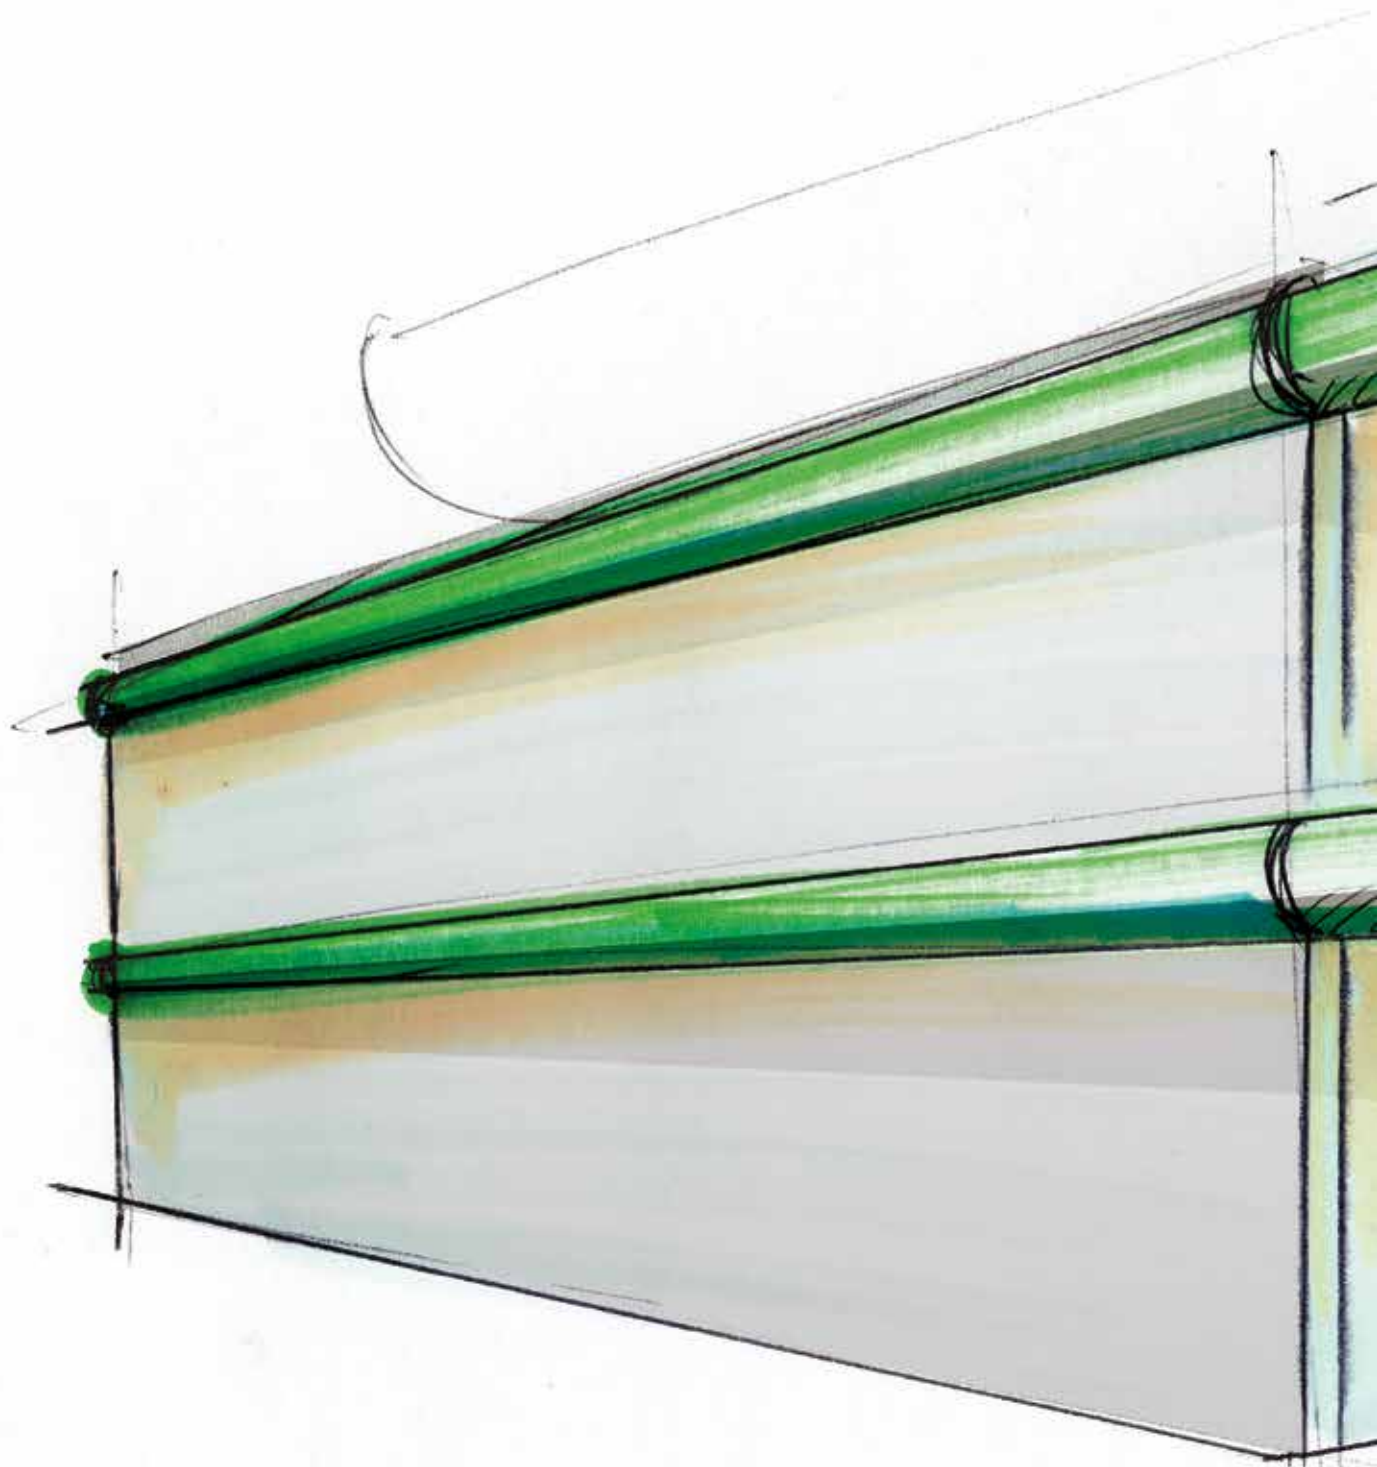

Iotti by Novellini è brand e stile per il mobile da bagno. L'attività di ricerca e sviluppo sul prodotto incontra progetti di design che valorizzano le funzionalità dell'arredo bagno e creano linee pronte a soddisfare le esigenze di tutti. Il valore aggiunto deriva dalla massima coordinabilità: le composizioni proposte permettono di allestire soluzioni complete, di qualità, dalle caratteristiche tecnico-funzionali elevate a un prezzo democratico.

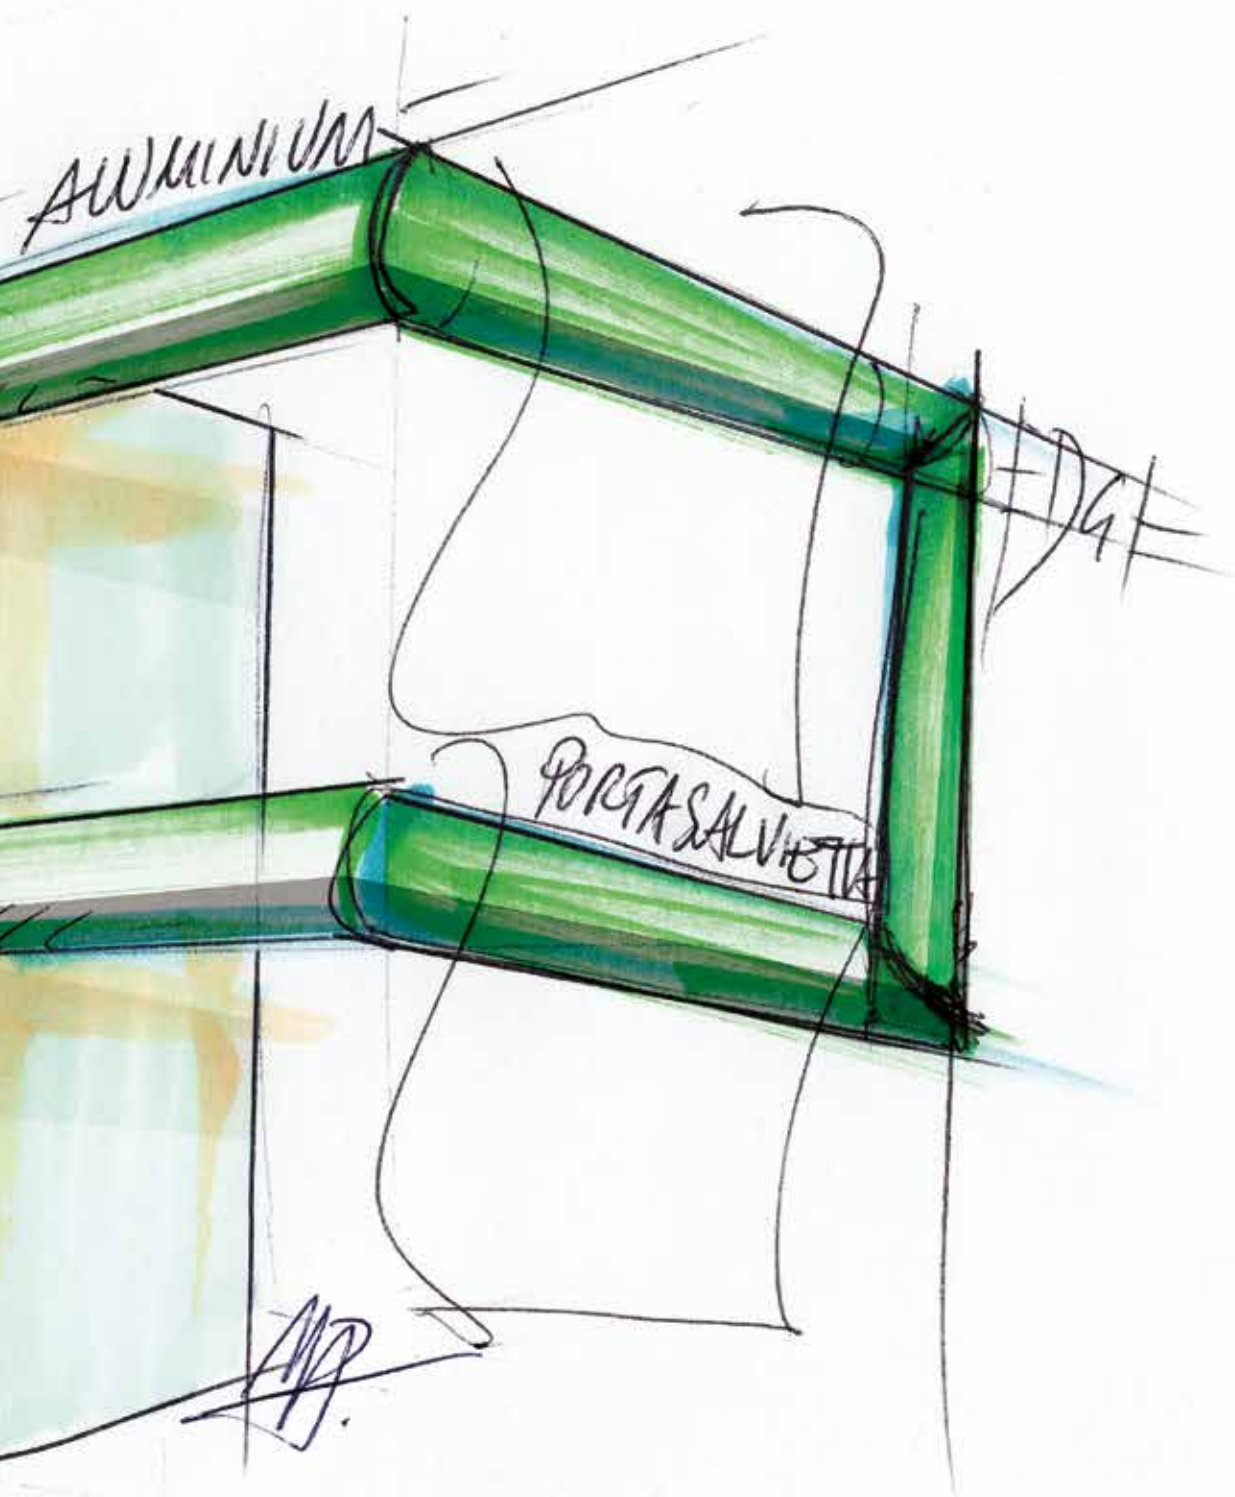

## IOTTI by NOVELLINI

*Furnishing the bathroom with a complete and modern design. A coordinated production concept wide enough to realize the composition of any bathroom in the desired style and with the certainty of the quality of a historic brand. Today we present the renewed Contemporaneo Collection of the Iotti series by Novellini.*

## HOW IS A COLLECTION BORN?

*The work of research and development of the product involves projects of design that evaluate the functionality of the bathroom furniture and create lines able to satisfy everyone's needs. The added value comes from the maximum capacity of coordination: the proposed compositions allow the creation of a complete solution of quality, with high-level technical and functional features at a democratic price.*

## IL TRATTO GIUSTO

Con Giada completi il tuo spazio con mobili e accessori coordinati nella forma, nel materiale e nelle finiture. Il dettaglio geometrico del profilo maniglia crea un forte legame visivo tra i modelli della gamma, i profili degli elementi doccia e i tratti della tua personalità.

## THE RIGHT FEATURE

*With Giada you complete your space with furniture and accessories coordinated in shape, material and finishes. The geometric detail of the handle profile creates a strong visual link between the models in the range, the profiles of the shower elements and the features of your personality.*

## DETTAGLI DI FORMA

Estremamente minimalista, Groove è dedicata a chi cerca il dettaglio distintivo. In linea con il programma Fill Space, la maniglia nasce a scanalatura per mantenere la pulizia del design e viene prodotta nell'alluminio degli elementi Novellini per un concetto di bagno unico.

## SHAPE DETAILS

*Extremely minimalist, Groove is dedicated to those seeking the distinctive detail. In line with the Fill Space program, the handle is grooved to keep the design clean and is produced in the aluminium of the Novellini elements for a unique bathroom concept.*

## VERO RITMO

La tua traccia preferita risuona nel dinamismo degli elementi Track, che mixano linee e funzionalità grazie alle maniglie integrate e agli accessori in stile. Il carattere simmetrico e ritmato prende forma introducendo il concetto di top attrezzato e abbinando sapientemente funzionalità ed estetica.

## TRUE RHYTHM

*Your favorite track resonates in the dynamism of the Track elements, which mix lines and functionality with integrated handles and stylish accessories.*

*The symmetrical and rhythmic character takes shape by introducing the concept of the equipped top and skillfully combining functionality and aesthetics.*

## TUTTO ATTORNO AL TUO STILE

Le geometrie precise e leggere di questa serie abbracciano la base con i cassetti che da oggi puoi abbinare alle maniglie Foil, Band e Clip.

Disponibile in 2 configurazioni: a terra o sospesa con fianchi e fondo continui. Il disegno geometrico viene alleggerito dalla cornice che racchiude questo mobile di facile collocazione, caratterizzato da dettagli e materiali ricercati.

## ALL ABOUT YOUR STYLE

*The precise and light geometries of this series embrace the base with drawers that you can now combine with Foil, Band and Clip handles.*

*Available in 2 configurations: floor or suspended with continuous sides and bottom. The geometric design is lightened by the frame that encloses this piece of furniture easy to place, characterized by details and refined materials.*

## FORME MORBIDE E SINUOSE

Twist è la linea mobili sinuosa, per una scelta che predilige forme morbide e mira a creare uno spazio accogliente, personale e confortevole. Funzionalità e benessere giocano armoniosamente con il segno netto dell'elemento maniglia, con gli accessori e con gli scompartimenti laterali.

## SOFT AND SINUOUS SHAPES

*Twist is the sinuous furniture line, for a choice that prefers soft shapes and aims to create a welcoming, personal and comfortable space. Functionality and well-being play harmoniously with the clear mark of the handle element, accessories and side compartments*

# ESSENCES

# ARGILLA

serie GIADA

Sinonimo di estetica naturale che offre una matericità emozionale, tattile e visiva unica nel suo genere. Il colore così vario tra un'argilla e l'altra è dovuto dalla differente origine geologica, che ne determina una diversa composizione chimica. Le irregolarità cromatiche conferiscono al prodotto una personalità unica rendendolo diverso da tutti gli altri.

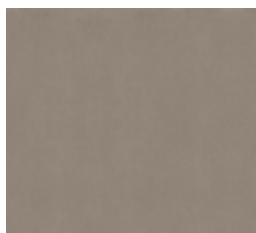

*Synonymous with natural aesthetics offering a emotional touch matter, tactile and visual unique in its kind. The color so varied between clay and the other is due to the different geological origin, which determines a different chemical composition. The irregularities of color give the product a unique personality, making it unlike any other.*
