BRIGA | MILANO | ROMA

Le collezioni d'autore Bellosta Rubinetterie sono frutto della passione artigiana che dal 1961 contraddistingue la famiglia Bellosta, dai fondatori Carlo e Carla, ai figli Maurizio e Gabriele.

Materie prime di alta qualità, cura dei dettagli e produzione interamente italiana sono i loro punti di forza.

The authored collections Bellosta Rubinetterie are the result of the artisan passion that from 1961 distinguishes the Bellosta family, from the founders Carlo and Carla, to their children Maurizio and Gabriele.

High quality raw materials, attention to detail and entirely Italian production are their strengths.

Dedicato a Carlo Bellosta

# progetto su misura - customizing project

## prodotto

Ad architetti e progettisti si vuole offrire l'opportunità di un servizio esclusivo, PROGETTO SU MISURA, personalizzando gli elementi in funzione di specifiche richieste estetiche o problematiche legate a vincoli progettuali. Oltre trenta linee, sviluppate su scala industriale si prestano ad essere modificate nelle dimensioni, nei componenti e nelle finiture per diventare la soluzione ideale in tutte le situazioni in cui è necessario uscire dagli standard.

Per informazioni e richieste PROGETTI SU MISURA: [ufficiotecnico3@bellostarubinetterie.com](mailto:ufficiotecnico3@bellostarubinetterie.com)

## product

To any architects or designers we would offer an exclusive service, the PROGETTO SU MISURA, by customizing the elements in relationship at specific aesthetic request or about projection duty. The size, components and finishings of over thirty industrial scale lines can be modified to perfectly fit all those situations that demand non-standard solutions.

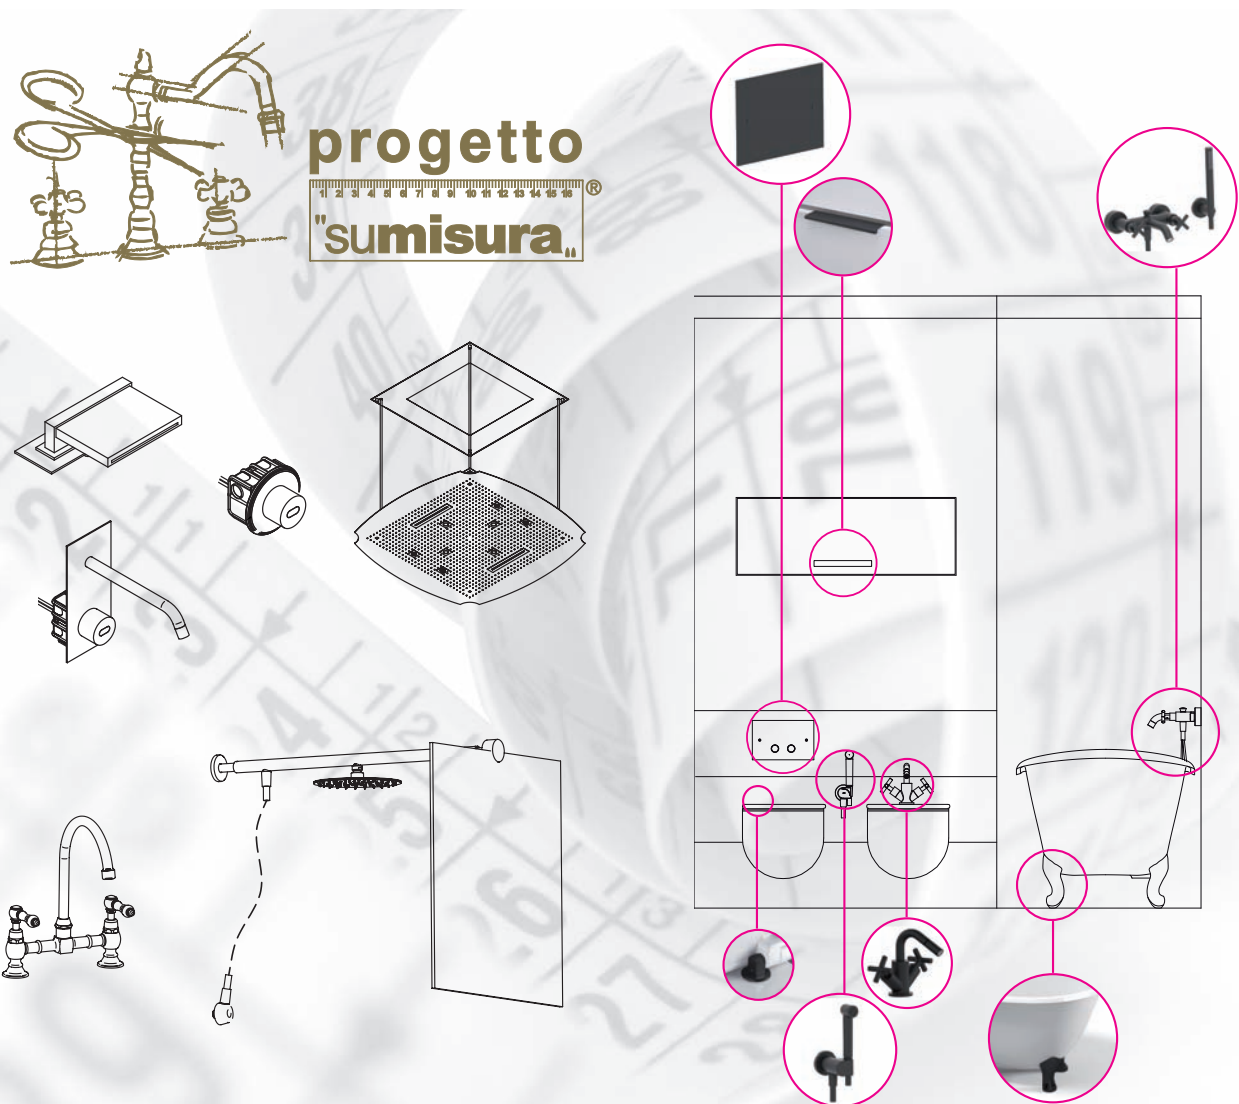

For informations and PROJECTS "SU MISURA" requests: [ufficiotecnico3@bellostarubinetterie.com](mailto:ufficiotecnico3@bellostarubinetterie.com)

## colore

Il servizio PROGETTO SU MISURA non si limita alla personalizzazione a 360° delle componenti dimensionali del prodotto. La scelta della finitura a volte ricade sul cromato perchè è difficile trovare nei complementi di arredo la stessa tonalità. Grazie a SU MISURA COLORS è possibile ottenere lo stesso colore sia sugli articoli presenti a listino sia sui componenti non prodotti da Bellosta Rubinetterie: maniglie, cerniere wc, piedini vasca, applique, profili doccia sono solo alcuni degli elementi realizzabili nella finitura scelta. E' possibile inviare all'ufficio tecnico i complementi che si desidera ritrattare, per poterne valutare la fattibilità.

## color

The PROGETTO SU MISURA service is not limited to the 360° customization of the dimensional components of the product. The choice of finish sometimes point on the chrome because it is difficult to find the same tonality in the furnishing complements. Thanks to SU MISURA COLORS, it is possible to obtain the same color on both the faucet collection and the components not produced by Bellosta Rubinetterie: handles, hinges, bathtub legs, applique, shower profiles are just some of the elements that the company can turn into the finishing choice. It is possible to send to the technical office the complements that you would like to retract, in order to evaluate the feasibility.

ASCOLTARE, PENSARE, FARE è la formula che abbiamo scelto per descrivere l'attenzione con cui interpretiamo i desideri del cliente, elaboriamo soluzioni ed esprimiamo proposte che ne soddisfino i gusti e le esigenze. Con lo stesso spirito, con lo stesso entusiasmo, oggi come sessant'anni fa.

LISTEN, THINK, ACT is the philosophy that we use to describe the attention by which we interpret the wishing of the client, we find solution and make proposal for meet the taste and exigent. With the same mind and passion, today like sixty years ago.
